dated 12th Jan. 1949

D.O. letter PH. 138/48-49/from the Private Secretary to His Highness the Maharaja of Mysore, to the Chief Secretary to the Government, Bangalore.

In continuation of my letter No. PH. 138/48-49 dated the 9th instant, I write to state that the Military Secretary to H.E. the Governor of Madras has confirmed over the 'phone the accompanying programme of the tour of H.E. the Governor of Madras and Her Highness the Maharani of Bhavanagar in the Mysore State this month.

It is ascertained that His Excellency is not bringing any car and it is requested that a big saloon of the Mysore State Railway may be made available for the journey from Bangalore to Shimoga. The strength of the party is ascertained to be about 25 and may be as follows:-

H.E. the Governor, Her Highness the Maharani and children ...	...	7
Private Secretary to H.E. the Governor and family ...	...	2
Military Secretary to H.E. the Governor ...	...	1
A.D.Cs. ...	...	2
A.D.Cs family ...	...	2
Servants and nurses ...	...	11
Total		25

I propose that three cars and a station wagon may be provided for His Excellency, staff officers and their families and a bus or lorry made available for carrying servants and kit. The Government House can supply the cars and station wagons required. Separate arrangements will have to be made for procuring a bus or lorry.

As regards catering, a cook and a butler with supplies will have to be sent in advance to Sringeri and another cook and butler similarly sent to Belur. The cook and butler sent to Sringer can come over to Hassan for catering at Hassan. So far as Shimoga is concerned, the Deputy Commissioner will have to arrange breakfast making use of cooks and butlers available at Shimoga and Bhadravati. It will be possible to spare cooks and butlers for Sringeri and Belur from Government House staff in Mysore.

The Military Secretary to H.E. the Governor requests that he may be intimated of the arrangements made. I request the favour of instructions in the matter.

I have also sent copies of the tour programme to the Traffic Manager, Mysore State Railways, and the Deputy Commissioners, Shimoga Chikmagalur and Hassan, for information.

Mysore, 13th January 1949.

My dear Sir,

In continuation of my letter No.PH.138/48-49, of yesterday, I am submitting herewith for favour of kind perusal copy of letter No.904-50 dated the 12th instant, received from the Military Secretary to H.E.the Governor of Madras, in the matter of the ensuing visit to the State of H.E.the Governor of Madras and Her Highness the Maharani Saheba of Bhavanagar. I have written to the Chief Secretary to make arrangements for vegetarian food to two or three of the party. Instructions will have to be issued to reserve the Travellers'Bungalows at Shimoga, Sringeri, Belur and Hassan and to furnish them also. Instructions may kindly be sent if any furniture has to be sent from the Government House here by train. But as the lorry and the bus required may probably go from Bangalore, it may be more convenient to send the furnishings from Bangalore.

The cots in most of the Travellers' Bungalows are bad and good mattresses will have to be provided along with good linen. I wish to state that the Deputy

Commissioners may be asked to intimate their requirements in time.

In order to accommodate the large number of people, 5 to 6 tents will be necessary at each place of halt. The Deputy Commissioner, Hassan, may require extra six tents with cots. I will be grateful if I am instructed in the matter in time.

With respectful regards,

Yours Sincerely

D.O. W.O. 5680/EB

January 15, 1949.

My dear Nagaraja Rao,

I have received your D.O.letters No.P.H.138/48-49 dated 12th January 1949 and 13th January 1949, and have also seen yours of the same No. and dated 13th January 1949 to the Dewan in regard to the tour of His Excellency the Governor of Madras and party in Mysore State.

I am sure you would take necessary action regarding the follwing matters which I discussed with you over the telephone yesterday night.

(a) The Superintendent of Government Guest Houses at Mysore, may be sent to Sringeri, Chickmagalur and Belur very early with some articles of furniture, linen, crockery etc., to examine and to fit out the places. He may come back and send out again from Mysore, the other articles needed at these places in the light of his first visit.

(b) The Travellers' Bungalow at Sringeri being very small, and on top of a hill, the possibility of pitching up some tents to augment the accommodation there, including a lunch tent, will have to be examined and the necessary number of tents taken from Mysore together with linen, carpets and other furniture.

(c) The Belur Travellers' Bungalow is also small and very inconvenient for stay, especially for a night halt. I would prefer Hassan or Chickmagalur for a halting place. I would suggest the party staying at Chickmagalur Travellers' Bungalow, as going farther on and halting at Hassan for the night of the 23rd would be too fatiguing. I trust you would be able to talk it over with the Military Secretary, Madras, to-day as you said and take necessary action to rig up Chickmagalur or Belur as the case may be.

(contd.....

(d) Out of the lorries that go from Mysore with the furniture etc., one may be sent over to Shimoga to report to the Deputy Commissioner on 22nd afternoon, and later to accompany the party from Shimoga right down to Bangalore.

(e) Four cars will have to go from Mysore similarly to Shimoga, three for the journey of the main party, and one spare. The cars here in Bangalore will be needed for the use of the parties at Bangalore and for the trip to Hosur on 22nd and they cannot be sent to Shimoga in time to be of use there.

(f) The possibility of obtaining the required number of good tents for Hassan and Belur (or Chickmagalur) camps locally may be examined by the official who goes from Mysore as suggested in (a) above. If they are not available, I shall arrange to send them from Bangalore on hearing from you. Tents at Sringeri, I take it, you are sending on from Mysore.

His Highness' Palace at Hassan would have been very convenient, but as this would not be available, the party will have to be put up at Hassan Travellers' Bungalow.

Regarding vegetarian food in Indian style, I note from your letter of the 13th to the Dewan, that vegetarian food would be required for about 2 or 3 in the party. I shall request the Deputy Commissioner of Hassan (and Deputy Commissioner of Chickmagalur, if necessary) to make local arrangements for such food being got ready for about 30, as there would be a large number of servants, a few drivers, etc. I note that you would be making arrangements for luch and other catering at Sringeri, Belur (or Chickmagalur) and Hassan for the main party.

The Chief Electrical Engineer is being instructed to put up temporary lights for the tents and the general camp premises at Hassan and Belur/Chickmagalur. The latter will have to be confirmed to him after hearing from you definitely about the place.

I am arranging to send a 22 seater passenger bus of the Mysore Government Transport Department to go to Shimoga on the 22nd afternoon for the party.

The General Manager, Mysore State Railway, is also being addressed to-day to make available the Dewan's and his own Metre Gauge Saloons for the journey to Shimoga on the 22nd night.

Copies of the programme are being sent to the Inspector-General of Police and Muzrai Commissioner for information and necessary action.

Kindly let me know as soon as you can, over the telephone regarding final choice between Belur and Chickmagalur, and confirm the arrangements you would be making from your end, and what other matters would need attention from me.

Yours sincerely,

(SD) K. Srinivasan.

I acknowledge the receipt of your D.O. No.P.H.138/48 dated 14-1-49 forwarding a copy of the final programme and the details of the party accompanying His Excellency the Governor of Madras during his visit to Hassan and Belur and Halebed from 25th Jan.49 to 25th January 49.

I write to state that as it is reported by the District Health Officer that there is plague infection in a portion of Belur Town and that - inoculations are going on, it may not be advisable or desirable to make His Excellency the Governor and party stop there for a night. Further, necessary facilities for accommodation, boarding etc., can be arranged - conveniently at Hassan instead of Belur. His - Excellency the Governor and party can proceed to Belur and Halebid the next day i.e. on the 24th as per programme and return to Hassan for lunch on the 24th instant as the surroundings of Belur temple are kept neat and tidy and are free from rat-fall.

Dear Sir,

Subject:- Visit of His Excellency the Governor of Madras and party to Shimoga on 23-1-1949.

I write to confirm the marginally noted wireless messages sent to you this morning and to state as follows:

1) His Excellency the Governor of Madras and Party left for Sringeri. Everything went off satisfactorily. 2) Bhavanagar Princesses with nurse are reaching Bangalore by 34 down train 6.0 A.M. tomorrow 24th. Please arrange reception at Bangalore City Railway Station.

The Party arrived by train this morning at the scheduled hour. They had their tea, bath in the saloon, and thereafter breakfast. Afterwards, His Excellency the Governor of Madras and Her Highness the Maharani got down the saloon. Flowers were offered by me and the local Congress leaders, including the District Board President etc., and exactly at 9.0 A.M. the cars left for Sringeri in the order indicated. At a pendal put up just in front of the railway station, the Municipal Councillors offered flowers to His Excellency the Governor of Madras, and Srimathi Rathnamma Madhava had offered flowers to Her Highness the Maharani. Then the cars proceeded to Sringeri. I accompanied His Excellency the Governor up to the District border on Umblebyle road. The Deputy Commissioner, Chikmagalur District, Janab Mahomed Ahmed who was present at the border of his District received them. Before the party left, I obtained the permission of His Excellency and returned to Bhadravati to meet the Chief Minister camping there.

It was also learnt that the Princesses with nurses would be returning from Sringeri and Tarikere this evening and from there would take train to Bangalore. The second message referred to above is sent in this connection to you and also to the Private Secretary to His Excellency the Governor of Madras who is ascertained to be accommodated in the Residency at Bangalore. The first message is transmitted to the Private Secretary to His Highness also.

Yours sincerely,

S. Muniswamappa
